

# Coproduction Workshop 2: Making coproduction happen

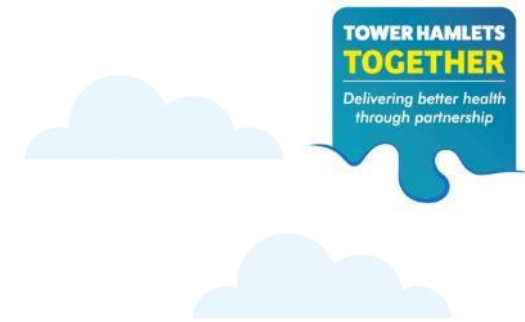

**TOWER HAMLETS  
TOGETHER**

*Delivering better health  
through partnership*

23 May 2023

# Welcome – Farzana Khanom, Chair, THT Coproductioin Task and Finish Group

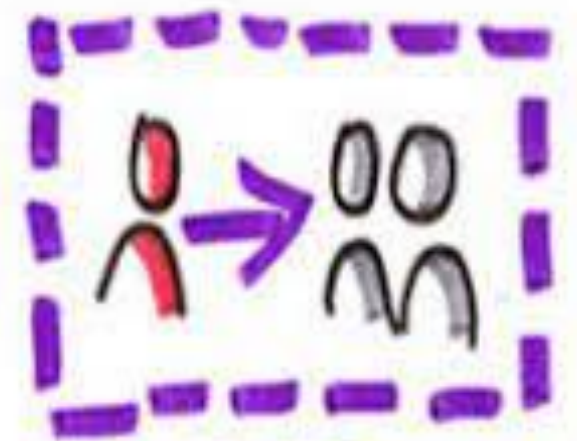

## Why are we holding these workshops

- To explore how we can all work together better so Tower Hamlets has the health and care service it needs
- Today we want to explore what is required to make coproduction happen.
- We want you tell us about what actions and behaviours are needed to ensure we carry out an activity in a coproduced way

# Agenda for today – Jon Williams, Engagement and Community Communications Manager (Tower Hamlets)

- Tower Hamlets Connect – continuous coproduction
- World Café on what is required to make coproduction happen.
  - Diabetes example
- World Café Group feedback
- Next steps and reflections
- Evaluation and vouchers

TOWER HAMLETS  
**TOGETHER**  
Delivering better health  
through partnership

- **Barriers**
  - Everyone is time-stressed
  - Lack of transparency
  - Commitment to actions to change
  - Reward and Recognition
  - Funding – fragmented & short-term
- **Opportunities**
  - Tower Hamlets has done the groundwork for coproduction
  - People's agency and rights
  - Building trust through power-sharing
  - Prevention

# Overview of these events

- **Workshop 2** – this event we will look at the way we can practically work together better
- **Celebration and feedback event** – we are aiming to present our findings and guidance on 29<sup>th</sup> June to test if we have the right ideas
- **From words to action** - embedding our findings:
  - REAL Coproduction Programme
  - Flourishing Communities Programme
  - And...
